Frameless Glass Showcases

Our Frameless glass showcases feature tempered glass and black melamine bases constructed with 3/4" material. Frameless means that all you see is glass, front, back, and sides. Because these showcases can be put in the middle of your store or against the wall, they are excellent in a small area where space is at a premium. These frameless glass showcases are shipped to you unassembled, ready to be setup in your store or retail environment.
